FINANCIAL POLICY

PAYMENT FOR MEDICAL SERVICES RENDERED IS DUE AT THE TIME OF SERVICE, UNLESS PRIOR ARRANGEMENTS HAVE BEEN MADE.

Our office does verify eligibility and benefits with your Health Insurance Company. If we are unable to accomplish this, you will be asked to pay for services rendered until we can confirm your eligibility status. The patient's "responsible portion" is due at the time of service. This includes copayments. We will do all we can to assist you with your health insurance claims, however insurance is a contract between the insured and the insurance company. Final responsibility for payment of your account rests with you. If you are scheduled for surgery, we may require a deposit, which must be paid prior to your date of surgery. Any prior authorizations obtained by this office on behalf of you, the patient, are not a guarantee of payment but are based on medical necessity. Claims are subject to your policy provisions and final payment is determined only when your insurance company has received the claim. If you have any questions regarding our medical fees or questions regarding your insurance benefits, please speak with a billing specialist. In the event that your account becomes delinquent, it will be forwarded to a collection agency. By signing below, I agree to pay all incurred charges, legal fees and court costs. A returned check charge of \$25 will be charged to my account for each returned check. If a returned check is not made whole (paying the original check amount plus the fees) the returned check will be sent to the Clark County District Attorney's office for additional processing. Having read the above, I hereby authorize payment by my insurance carrier, Medicare, Medigap, Veterans' Administration or other designated payer of medical benefits to Orthopedic Solutions LLC for services furnished to me. The assignment will remain in effect until revoked by me in writing. I hereby accept financial responsibility for all charges incurred whether or not I have insurance coverage. A photocopy of this assignment is considered as valid as the original. There will be a \$75 fee for all Family Medical Leave Act (FMLA) or Disability forms that must be filled out by providers at Total Sports Medicine and Orthopedics. Fee covers 6 months of revision to paperwork.

Acknowledgement and Receipt of Privacy Practices

Total Sports Medicine is required by US Federal Law to maintain our patients' privacy and provide them with access to the notice of our legal duties and privacy practices with respect to protected health information (PHI). Your signature below hereby acknowledges that you have reviewed our HIPAA Notice of Privacy Practices document and understand that you may obtain a copy for your records upon request. I hereby sign to Orthopaedic Solutions LLC all benefits for medical and surgical care payable under the policies of the practice. I also authorize the release of information under the same policy. I understand that I am financially responsible for any changes not covered by my insurance.

Prescription Drug Policy

New policies by the Drug Enforcement Agency (DEA) have forced us to create our own stricter rules regarding prescription drugs, beginning in our office November 1, 2015. Narcotic pain pills can no longer be called into the pharmacy. Narcotic pain pills are ONLY prescribed in our office for fractures (broken bones), after a surgery, or for other serious, acute injuries. We do not treat chronic pain. If you have been given a narcotic pain prescription, this will NOT continue to be filled after 8 weeks after your injury or surgery. If you are still having pain issues that are far out from injury or surgery, we will refer you to a pain management specialist, who can appropriately manage your pain and assist you in your transition away from these medications. You cannot obtain prescriptions from more than one doctor. This information is tracked by the DEA and a second prescription will not be filled by the pharmacy. ALL prescription drugs require documentation from an office visit and examination or the prescription is ILLEGAL. This means that if you feel you need a prescription of any kind, you will need an appointment to see the physician. This includes prescriptions that have been given to you in the past. If you are in need of a prescription and the physician is not in the office, you will need to see your primary care doctor, another doctor, or go to the Emergency Room or Urgent Care. Plan ahead if you recognize you may be running low on a prescription you are currently using. By signing below, I acknowledge and agree to this policy.
